FULL POOL OPENING INCLUDES

- Removal of the cover & water bags. Clean cover with Stow Away, deodorizer (Cover will be folded and left poolside unless specified).
- Install ladders & handrails—**We do not install diving boards.**
- Reassemble & activate filter system for summer operation.
- Chemically treat the water with included shock & Pool Opening Complete
- Test the water for balance—A lab associate will call you with results and recommendations for balancing your water the day after service.
- Heater pilot will be lit and tested (If pilot will not stay lit or heater will not fire up, a separate service call will need to be scheduled with an extra charge).
\$125.00 for Heater Service \$190.00 for Heater Cleaning

PLEASE BE ADVISED

- Vacuum service is an additional charge. Opening Vacuuming is \$95.00 (Up to one hour only)
- PLEASE NOTE: A pool opening vacuum service often stirs up silt & debris which may settle after technicians leave. An additional vacuuming service may need to be scheduled at an additional charge. Customer must schedule with the Service Manager. \$95.00 per hr
- If pool repairs are needed at time of opening, a service charge will be incurred. Additional work may need to be rescheduled at \$125 per hr
- Upon opening all automated systems will be left in "service mode". Programming the unit requires a separate service call scheduled with the service department. \$125.00 per hr

BEFORE OPENING CUSTOMER MUST

- Have water, leaves and debris off the cover. Excess water/debris removal will incur an additional charge (\$125.00 per hour) and may require rescheduling the appointment.
- Water level must be up to the middle of the skimmer. **WE DO NOT ADD WATER.** Place a hose under the cover and fill before the technicians arrive. If the pool is not filled, the technicians can not start up the filter; a return trip charge (\$70.00) will be incurred in addition to the opening cost and you will be scheduled at the next date available.
- Ladder, handrails & skimmer baskets must be available poolside for installation.
- Technicians must have access to your pool. Either someone must be home or the gate must be left unlocked. If there is no access, you will be charged a return trip charge (\$70.00) and you will need to reschedule with the Service Manager for the next available date.
- Be sure to have your pool opening scheduled in advance, **at least 10 days prior to desired "use" date**, to allow for balancing and/or repairs.
- Turn on outside water supply and electric supply. **ALL BREAKERS MUST BE ON**

DO IT YOURSELF 1/2 OPENING INCLUDES

- Customer must have cover removed and water level raised before technicians arrive. **WE DO NOT ADD WATER**
- Customer must add their own shock and algaecide after technicians start up pool.
- Technicians will summerize and start up of your filtration system.
- Technicians will collect a water sample - a lab associate will test the water for balance and call customer the day after service with results and recommendations.
