

2025 Pool Opening Contract- Book Now!

TERMS & CONDITIONS:

Please send in your completed contract as soon as possible, indicating the week you would like to have your pool opened. We cannot schedule openings until we receive your signed contract.

Telephone: 609-655-0990 **Mailing Address:** 2674 Highway 130, Cranbury, NJ 08512
Fax: 609-655-0223 **Email:** poolservice@poolnspaplace.com

A FULL POOL OPENING SERVICE INCLUDES:

- Removal of the cover & water bags. Clean cover with Stow Away, deodorizer (cover will be folded and left poolside unless specified). We do not power wash the cover.
- Install ladders & handrails- **We do not install diving boards.**
- Reassemble and activate filter system for summer operation.
- Chemically treat the water with included shock & Pool Opening Complete.
- Test the water for balance- A lab associate will call you with results and recommendations for balancing your water the day after service.
- Heater pilot will be lit and tested. (If pilot will not stay lit or will not fire up, a separate service call will need to be scheduled with an extra charge).

½ OPENING DOES NOT INCLUDE:

- Removal or cleaning of cover
- Any chemical treatment of the water upon arrival.

BEFORE WE ARRIVE:

- Remove water, leaves and debris off the cover. Excess water/debris removal will incur an additional charge of \$175 per hour and may require rescheduling the appointment.
- Water level must be up to the middle of the skimmer. WE DO NOT ADD WATER. Place a hose under the cover and fill before the technicians arrive. If the pool is not filled, the technicians can not start up the filter: a return trip charge of \$80.00 will be incurred in addition to the opening cost and you will be scheduled at the next date available.
- Ladder, handrails & skimmer basket must be available poolside for installation.
- Technicians must have access to the pool. Either someone must be home or the gate must be left unlocked. If there is no access, you will be charged a return trip charge (\$80) and will need to reschedule with the Service Manager for the next available date.
- **Turn on outside water supply and electric supply. All breakers must be on.**
- **½ opening customers must have their cover removed and add their shock and algaecide after technicians start up the pool.**

PLEASE BE ADVISED:

- Vacuum service is an additional charge. **Opening Vacuuming is \$130.00 (up to one hour only).**
- A pool opening vacuum service often stirs up debris which may settle after technicians leave. An additional vacuuming service may need to be scheduled at an additional charge.
- If pool repairs are needed at time of opening, a service charge will be incurred.
- Upon opening all automated systems will be left in "service mode". Programming the unit requires a service call scheduled with the service department.
- A 50% deposit is required for all service outside of regular maintenance.
- Service calls must be cancelled with 48 hours notice prior to date of service. Failure to do so will automatically forfeit the 50% deposit given at the time of scheduling.

**** \$25 credit will be awarded for completed & paid referrals – Credit may be applied to account in any way with the exception of half openings. ****

*Please be advised, any service order over \$500 must be treated as a Home Improvement Agreement (HIA) according to NJ state law.
